3. We are writing to formally acknowledge and extend our deepest thanks for the generous commitment of **PKR 2.5 Million (Rupees Two Million Five Hundred Thousand only)** secured from the **National Bank of Pakistan (NBP)** as part of their Corporate Social Responsibility (CSR) initiative. The collaboration between PMYP, PNC, and NBP for the CAYA Conference is a shining example of a successful public-private partnership focused on national progress and youth empowerment. The funds received through your efforts will be instrumental in:

We highly appreciate PNC's tireless efforts in promoting national cohesion and facilitating vital collaborations that directly benefit Pakistan's youth, a core mission shared by PMYP. We also convey our sincere thanks to the management of the National Bank of Pakistan for their continuous financial support and for directing their CSR resources towards this significant national cause.

To ensure the timely and effective utilization of the funds for the conference, we kindly request PNC to coordinate the immediate disbursement of the aforementioned amount of PKR 2.5 million received from the National Bank of Pakistan.
